

# Halloween candy hunt

**Mirror mirror on the wall**  
whose costume is the  
cutest of them all?

The clue you seek is not at the  
sink but at the place where you  
**take a shower.**

It's good to be clean. I  
don't want to be mean.  
But your candy isn't in  
this space.

**Go to our snuggle place.**

A snuggle and cuddle  
are all you'll find here.  
Go to the place **where**  
**you play** without fear.

Great job my child. Jump  
and go wild. And then  
find some more clues  
**where we keep your**  
**shoes.**

How fun your costume  
makes you look. The  
next clue is where we  
**you keep your books.**

This clue gets you closer  
to your candy wishes.  
Look in the place where  
**we keep our dishes.**

This drawer is such a  
bore. The answer you  
seek is  
**at the front door.**
